Our Distinguished Speakers

Dr. Saidatulakmal Mohd

Director at the Centre for Global Sustainability Studies
Universiti Sains Malaysia | Rank 1st in Malaysia for THE Impact Ranking 2021

Saidatulakmal Mohd is currently the Director at the Centre for Global Sustainability Studies (CGSS), and an Associate Professor at the School of Social Sciences, Universiti Sains Malaysia. She joined the university in 2005 upon completion of her Ph.D. from the University of Birmingham, United Kingdom. Her main area of research is welfare economics, concentrating more on the wellbeing of older persons and social protection. Other areas that interest her include development economics, tourism and heritage economics and public finance. She has been mentioned on many occasions for the above-mentioned economics areas by many organizations, which include the local governments and agencies as well as international organizations such as the OECD Korea Policy Centre, United Nations Research Institute of Social Development, Open Budget Partnership, Penang State Government and Economic Planning Unit.

Assoc. Prof Natcha Thawesaengskulthai, PhD

Vice President for Strategic Planning, Innovation, and Global Engagement
Chulalongkorn University, Thailand | Rank 1st in Southeast Asia for THE Impact Ranking 2021

Associate Professor Natcha Thawesaengskulthai, Ph.D., is a Vice President for Strategic Planning, Innovation and Global Engagement. She envisions the futures of higher education and leads CU Innovation Hub, Siam Innovation District, and CU Enterprise that empowers talents, and develop innovation enterprises over 100 startups with a total market valuation of 500 million USD benefiting over 1 million citizens. She found the School of Integrated Innovation that provides a transdisciplinary platform in the context of future-oriented and demand driven education, research and innovation enterprise. Committing to Innovations for Society, Chula ranks "No.1 in Asia and No.23rd in the World" (the highest-ranking that any Thai university has ever received) and SDG 9 (Industry, Innovation, and Infrastructure) and SDG 15 (Life on Land) are Top in ASEAN by the Times Higher Education (THE) Impact Rankings 2021.

Anders Karlsson, PhD

Vice President of Global Strategic Networks
Elsevier

Anders Karlsson, PhD, joined Elsevier in 2012 as Vice President, Global Strategic Networks. Before Elsevier he was for five years Counselor for Science and Innovation at the Embassy of Sweden in Tokyo, Japan. He is a member of Elsevier's sustainability board, the Japan chapter chair of the International Association of Scientific, Technical and Medical Publishers (STM) and a member of the steering committee of the International Network for Government Science Advice (INGSA) Asia Chapter. Before serving as Science Counselor, he was for 10 years Professor in Quantum Photonics at the Royal Institute of Technology - KTH, Stockholm, Sweden. Kana is a Data Scientist at Elsevier helping government agencies, funding bodies, and research institutions develop research strategies, conduct evaluations to support evidence based policies.

Kana Takasaka

Data Analyst
Elsevier

Kana is a Data Scientist at Elsevier helping government agencies, funding bodies, policy makers, and research institutions develop research strategies, conduct evaluations to support evidence based policies. Prior to joining Elsevier, she worked at a consulting firm and a software start-up. She holds a Master of Engineering from Tokyo Institute of Technology.
