

**Wiley's webinar: How to write a scientific abstract**  
(18 August 2021)

Dear All,

We cordially invite you to join the following webinar:

**WILEY WEBINAR**

Certificates will be issued to participants who join this training

## How to write a scientific abstract

### Outlines

- 1** The current library discovery and access tools and practices related to electronic resource management and how an abstract is like a mini paper containing a complete IMRAD (Introduction, Methods, Results, and Discussion)
- 2** How to write concisely within 250- or 150-word limits
- 3** How to make your abstract meet editors' expectations, make your paper discoverable and ensure it will be read by readers

**18 August 2021**  
Wednesday  
**10-11 am**

USSDC points (Lifelong Learning & Information Management) for UTAR Students  
CPD: 1 hour for UTAR Staff

### Speaker

Dr. Jacob Wickham, Senior Managing Editor of Integrative Zoology, is an Assistant Professor at the Institute of Zoology, CAS, and Adjunct Professor at the Department of Entomology, Rutgers University. Dr. Wickham has over 15 years of experience in academic publishing and has published several papers in high impact journals. For the past several years, Dr. Wickham has been an experienced academic trainer leading author workshops throughout the world such as "how to structure your manuscript to impress SCI journal editors and get it closer to acceptance", "the peer review process", and "dealing with reviewer comments".
