PubScholar 公益学术平台
(8 December 2023)

Dear All,

This is to share a recently launched academic platform, namely PubScholar 公益学术平台 (https://pubscholar.cn/). There are currently about 170 million searchable resources, with around 80 million free full-text resources on this platform which include journal articles, dissertations, preprinted papers, patent documents, scientific data, monographs, etc.

在此与大家分享一个最近新推出的学术平台—— PubScholar 公益学术平台 (https://pubscholar.cn/)。该平台可检索资源量约 1.7 亿，目前约 8000 万篇文章可免费阅读全文，其中包括期刊文章、学位论文、专利全文数据、科学数据、图书专著等。

Thank you.
